

August 1, 2008

Dear ZRA members:

It is time for the annual Call for Nominations for our achievement (Marvin Jones Award of Excellence and Judith Block Professional Excellence Award) and Committee Member of the Year awards. Please refer to the ZRA website (www.zooregistrars.org) for all award Guidelines located on the Homepage under the Awards and Recognition link. There will be three recipients for the Committee Member of the Year award, one member from each core grouping of committees (Governance, Membership Services and Training, Professional Development and Standards). Please submit your nominations accordingly.

Nominations are due to me via email by September 1, 2008. The final decision on 2008 award recipients will be determined by a majority vote of the entire Board of Directors per the Association bylaws and relevant guidelines.

If you have any questions, please do not hesitate to contact me by phone at (314) 646-4572.

Sincerely,

Rae Lynn Haliday, CRM

ZRA President
